| 4:30 – 4:45 PM | Closing Remarks and Discussion Lauris Kaldjian, MD, PhD |

Determination of educational content for this program and the selection of speakers are responsibilities of the conference director. There is no commercial or outside support for this conference.

General Information

Audience

Physicians, Nurses, Social Workers, Chaplains, Physician Assistants, Trainees, Students, and Others

Background

With the steady introduction of more treatment options and biotechnologies, an increasing number and range of ethical challenges in health care are emerging. This conference is designed to help professionals meet these challenges through their work as clinicians, members of ethics committees or ethics consult teams, and administrators.

Purpose

- Provide up-to-date information in healthcare ethics relevant to clinical practice.
- Provide approaches to ethical reasoning that clarify ethical problems.
- Facilitate professional discussion of ethical challenges and decision making in healthcare.
- Encourage professional networking for ongoing dialogue, support, and collaboration.

Approach

- Four sessions (each 1.5 hours) covering four different topics in clinical ethics.
- Each session provides a lecture, small group case-based discussions, and a large group Q&A wrap-up.
- Time and opportunity for dialogue and networking.

Objectives

SESSION ONE

- Describe current data and controversies concerning families who decline vaccinations.
- Discuss current professional guidelines for responding to these situations.
- Identify ethical principles and virtues that help guide and justify a response and/or policy.
- Compare the refusal of vaccinations to other clinical contexts in which patients decline recommended treatments.

SESSION TWO

- Describe the Iowa Physician Orders for Scope of Treatment (IPOST), advance directives, and DNR orders.
- Compare the strengths and weaknesses of these different medical and legal options.
- Identify ethical principles and virtues that help guide end-of-life discussions and decisions.
- Discuss the need to place specific treatments in the broader context of goals of care.

SESSION THREE

- Describe a framework for approaching ethical dilemmas that arise in the setting of critical illness.
- Explain how eliciting a patient's goals and values assists patient and surrogate decision making.
- Define the concept of authenticity and how it applies to surrogate decision making.
- Recognize how moral distress may arise in the context of critical illness and can overlap with medical futility.

SESSION FOUR

- Describe current and emerging technologies used for genetic screening in preconception, preimplantation, and prenatal testing.
- Discuss current professional guidelines related to genetic screening in reproductive care.
- Identify ethical principles and virtues that help guide clinicians and patients in the use of genetic screening.
- Compare reproductive medicine to other clinical contexts in which genetic screening raises ethical challenges.

Continuing Education Credit

The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Physicians: The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this conference for a maximum 6.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians

should claim only the credit commensurate with the extent of their participation in the activity. (CME cost \$25)

Nurses: This program is offered in cooperation with the University of Iowa College of Nursing, an Iowa Board of Nursing approved provider, number 1. Full time attendance will award 7.2 contact hours or .72 CEUs. Program number 16 141 93 has been assigned. (CEU cost \$25)

Registration

The registration fee is \$100 for all attendees and includes registration, refreshments during breaks, and lunch. If you would like CME and CEU credit, there is an additional fee of \$25.

Cancellation Policy

Registrations canceled more than 14 days before the conference will be fully refunded. Registrations canceled 7-14 days before the conference will be refunded minus a \$25 processing fee. Registrations canceled less than 7 days before the conference will not be refunded. To cancel your registration, please call the Continuing Medical Education Office @ 319-335-8599.

Parking

Parking is available in Newton Road Parking Ramp at a maximum cost of \$20 per day. The location of the Newton Road Parking Ramp may be found at our conference website: www.medicine.uiowa.edu/bioethics/ethicsinhealthcare.edu. Please follow the signs to the ramp entrance.

Hotels

Participants are responsible for making their own hotel reservations, if needed, and may do so by contacting the Iowa City/Coralville Convention and Visitors Bureau at (800) 283-6592 or any hotel in the Iowa City area. The following hotels have complimentary shuttle service to the UI Healthcare campus: hotelVetro (downtown) (319) 337-4961; the Sheraton Iowa City Hotel (downtown) (319) 337-4058; the Coralville Marriott Hotel & Conference Center (319) 688-4000; and the Holiday Inn (Coralville) (319)351-5049. Rates are not guaranteed.
